## The true Savior has the almighty spirit 'that changes this world into heaven'

'This man' refers to the Savior

The fruit of life is the word of the Bible, which is the spiritual word. Therefore, the fruit of life is the spiritual word. The spiritual word indicates spirit. Therefore, the fruit of life is an immortal spirit, it is not the spirit of death. As John 3:5 writes: "One is saved by being reborn as the Holy Spirit", the Holy Spirit is an immortal spirit as well as the fruit of life. The true Holy Spirit indicates the grace which the Victor gives. The spirit of the Victor is the Holy Spirit, the spirit which was told before the advent of the Victor is the deception of Satan. This means the spirit which was told before the advent of the Victor is not the Holy Spirit. Corinthians 13:10 writes: "when perfection comes, the imperfect disappears." Considering these words, we can see that coming perfection is promised.

Perfection means the almighty spirit. The almighty spirit is the perfect spirit. Therefore, the true Savior has an omniscient and omnipotent spirit.

The other selves of the Savior removed the ideology of communism in communists. As you know, This man, the Savior, promised <5 covenants>. First, This man said He would remove communism from the world. The communism in the world has disappeared. If one does not have the almighty power, they cannot destroy communism. Communism is a human ideo-

logy. But the ideology of communism is different from the thought of normal humans. So the other selves of the Savior, the spirit of God, went into the communists and rooted out the ideology of communism. So the ideology of communism disappeared and they said: "I do not like communism now." If communists do not like communism, communism cannot exist. Like this, the Savior removed communism.

# The other selves of the Savior will go into the heart of humans and change this world

We can see that the Savior has His other selves that go into the heart of people as He wants. His other selves are able to go into the hearts of people at will. Even the other selves of This man stayed in your heart. Although This man went to prison, though He was away from you, His other selves went into your hearts and led you.

So you went to the altar and attended worship services diligently. If the Savior does not lead, no one can come to the altar. At that time, TV and newspapers reported that This man killed people and buried them in the mountains, though This man does not pour the Holy Dew Spirit, He deceived people, received offerings and built an altar. This man was punished for fraud.

However, as you did not think that This man perpetrated an offering fraud, you came to the altar diligently. This means that This man won. So Gyeoam-yourok, a Korean prophetic book, states: "Finally the Victor Jeongdoryeong will win." So He will remove the world of humans by changing them into Gods and create the world of God. If the world of humanity disappears and the world of God is formed, light will come out the face of the Savior and it will be a shining day and that world will become one without night.

If the world becomes one without night, it will become one without winters and summers. Also it will become one without summers. Humans will become Gods and live forever in inexpressible and utmost happiness. In spring weather, they will not sleep because the world will not have night. Therefore, people will become Gods and live happily

#### The Savior is the recreator God

The Savior enables you to become Gods, because you are smart or you receive the grace of God a lot, you will not become Gods. The Savior is the recreator God. So He is supposed to create you as God again. You are expected to live forever with immortal bodies. This new world has neither time nor space. In this world, time passes so quickly that 1000 years or 10000 years passes like one day. Therefore, as delight overflows in that world, as people are very happy, they do not know that time passes. Imagine living in that pleasure. So people will live feeling spring weather without winters or summers, without cold or heat, without feeling tired, but always joyful. So all people in that world will live and laugh happily, and no one will be depressed.

#### This man has said continually for 23 years, only if one laughs, their diseases can be cured and they can receive the grace of God

That world is one where only people who always laugh can live, those who do not laugh can not live there. So you should live all the time from now. While laughing, happiness exists. Where one does not laugh, happiness does not exist. This man's word is right. So This man says to you, "Laugh all the time." If those who early do not laugh, it is an action of Satan. The action of Satan does not means committing bad acts of Satan. One should have the face of God and acts like God. So they are admitted not to do the action of Satan. Therefore, one should come to the altar and sing hymns wearing a smile on their faces all the time and laugh. Singing hymns while smiling with a happy face, you should live a life laughing enough to be seen by everybody and people will ask, "why does that person laugh so happily."

You should laugh not only at the altar but also at home. At home, you should look at your wife or children like flowers. If you always laugh at home, all your family members will look like flowers. All your members will look beautiful. As they will look so lovely, you will laugh naturally. If you laugh at home all the time, the family who are not the believers of the altar cannot catch diseases. If you laugh at home, your families are all expected to laugh.

Scientifically, scientists say if people laugh, it raises endorphin in their blood. Also T lymphocyte can be formed and diseases can be healed. This man has said continually for 23 years only if people laugh, can their diseases be cured, when you laugh, you will receive good luck. As This man has the spirit of God in His body, not He says but God says.

### Only the Holy Dew Spirit can become the grace of immortality

The grace of God did not exist so far. Christians told a lie that there was the Holy Spirit of fire from the beginning, but it is not grace. To give immortality is the grace of God. Something that does not give immortality cannot be the grace of God. Also, only the Holy Dew Spirit is the grace, the Holy Spirit of fire or the Holy Spirit of lifewater is not the grace. Only the Holy Dew Spirit is complete grace, it is the grace that enables you to be immortal. Therefore, Christianity is not a religion that has grace. The religion that does not have grace is not a religion. Therefore, you should know that you are supposed to receive grace only through the Savior, you are supposed to live forever through the Savior.

### **Humans becoming Gods is resurrection**

So due to the Savior, you are recreated and humans will become Gods. This is a resurrection. If one dies, they cannot live. According to Job 14:10: "if one dies, they will perish, as their vitality is cut, where are they?" Isaiah 26:14 writes: "They are now dead, they live no more; those departed spirits do not rise."

That is, it means that there is no resurrection in the Old Testament. The new Testament says that Jesus ascended three days later after he died, this is a lie. The Old Testament says, "if one dies, they will perish and if one dies, they will never live again," how can they be resurrected?

Jesus' body was buried in France. However, there is a limit in deceiving people. No matter how long Huger group, those who believe that Jesus ascended into sky and will descend again, look at the sky, will Jesus come? He will not return. If He was really revived, wouldn't he return? So as Satan is the spirit of deception, he went into Huger group and deceived them. Humans are originally the slaves of Satan. As humanity is the slave of the spirit of trick, they tell lies a lot.\*

## 「命の木の實」とは聖書の言葉であり、聖書の言葉は靈的な言葉である

だから「命の木」になる實も靈的な 實であり、靈的な實は靈を指しま す.

從って「命の木の實」は永生の靈であって、死の靈は「命の木の實」になることが出來ない、「聖靈に生まれ變わってこそ救われる」と聖書に記されているので、「命の木の實」は聖靈、まさに永生の靈である。

ところが、まことの聖靈とは、勝利者が現われて人びとに注ぐ恩惠をいうのである。勝利者の靈が聖靈であり、勝利者が現われる以前に用いた聖靈という言葉は全て惡魔のトリックの言葉である。まことの聖靈ではないという言葉である。

だから、コリント人への第1の手紙 13章10節に「全きものが來る時に は、部分的なものはすたれる」と記 されている.この言葉を見れば全 きものが來ると約束されているこ とが分かりますね.

全きものとは全知全能の靈を言う のです.全知全能の靈がまさに全 きものの靈を言うのです.

だから,全知全能の靈はまことの 救い主が持っているのです.

救い主の分身が共産主義者の中で 共産主義理念を除去

皆さんが知っているように, 救い 主である私が「五大公約」を宣布し

ました. まず、世界の共産主義を無くすと 言いましたね、世界の共産主義が 無くなったでしょう、全知全能の 能力がなければ、共産主義を無く すことは出來ないですね、共産主

# この世の中を地上の天國に開闢させる

### まことの救い主が全知全能の靈を持っている

藤田多惠子 勝師 監修

義というのは人の思想を指します ね.人の理念をいうのです.

共産主義の理念を共産主義である と言い、ただ單に人の考えを共産 主義であるとは言えない.

だから、神様である救い主の分身が共産主義者の中に入って共産主義の理念を根こそぎ拔いて除去してしまったから、共産主義の理念が消えて共産主義者達がすべて「私はもう共産主義がいやだ」と言えば共産主義者が「共産主義が「共産主義がない」と言えば共産主義が存立出界の共産主義を無くしてしまったのです。

救い主の分身が心の中に入ってこ の世の中を開闢する

當時、私が獄中生活をする時には TVと新聞は私が人を殺して山に埋めたとも言ったし、露が降らないのに露を降らすと皆さんを騙して 就金を集めて教會を建てたから、完全に詐欺であるなどと言ったので を献金詐欺で處罰までした献金詐欺で處別までした。 を献金詐欺で處別までした献金詐欺を行なったとは考えなかったとは考えなかった。 は私がはないた。

結局,これは勝利者が勝ったと言うことになるのです。だから,「勝利者,正道令が最後には勝つ」と豫言書・格菴遺錄には記錄されているのです。

だから, 魔鬼の世である人間の世を無くしてしまい, 人びとを神様に作り變えて神様の世を作ってしまうのです.

 つのも分からないのです. だから, 千年万年ですら一日が過ぎたかのように速いのです.

だから皆さん、その快樂の中に住むことを想像をしてみなさい。 どれほど嬉しく、どれほど樂しい

か. まさに冬も夏もなく、熱いことも、寒いこともなくて、いわば、天氣がいつも春のように感じられる中で、疲れも知らずいつも喜びの中で暮らす、憂鬱な生活をする人が一人もいないその世は全ての人が明るい笑顔で暮らす世の中です.

その世は、何時も笑う人だけ暮らす世であり、その世は笑わない人は生きることが出來ない世なのです。だから、今から、常に笑わなければならない。だから皆さんに何時も笑えと言うのです。祭壇に先に出ている人達が何時も笑わずに怒ったような表情で座っていればそれは魔鬼の行いです。

だから、いつも微笑を含んだり笑いながら祭壇に出て賛美をしな顔に出て賛美をしい顔で微笑みながら賛美をするのです。誰が見ても「あの人は何が樂しくてあんなに笑うのか」という位に笑いながら生活しなければならない。けれど、祭壇だけでなく家に歸ったら、奥さ

んや子供達,家中全べての人を花のように見ることです.いつも笑って座っていれば,家族達がみな花のように見えるのです.

だから、あまりにも美しく奇麗に 見えるので自然に微笑を浮かべる ようになる. 笑みが自然に出るの です.

勝利祭壇の家族達が、家に歸って 毎日笑いながら生活していれば、 祭壇に出ない家族達まで病氣にか かることがない.

皆さんがよく笑えば家族達がみな 笑うようになる. 科學的にはフィン だ出て、血の中で「Tリンパ球」が作 り上げられ、病氣が治ると醫學的 土が言っている. 私は23年前かること 笑さに皆さんが福を受けるとなってこそ病気が福を受けるとなる。 そままさにといる。 であるから神様が仰っていることです. 私は神様が仰っていることです.

露でこそ永生を得る恩惠になる

神様の恩惠というのは今まで全く 無かった.キリスト教徒は創始期 から火の聖神の恩惠があったと偽 リをいうが、それは恩惠ではな い.永生を與えることが恩惠であ って永生を與えなければ恩惠には ならない、また、露が恩惠であ り、露ではない火の聖神とか、生 水の聖靈とかは恩惠ではない、露 の聖神でこそ完成の恩惠であり、 永生を成し遂げることの出來る恩 惠である。

だから、キリスト教は恩惠がない 宗教ですね. 恩惠がない宗教は宗 教とは言えない. だから、皆さん は救い主を通じてこそ恩惠を受け るようになっているし、救い主を 通じてこそ永生を得るようになっ ていることを知らねばならない.

人間が神様になるのが復活である

だから、救い主に因って皆さんが 再創造され、人間が神様になるの です、これを指して復活と言う、 死ねば再び生きることが出來な い、

ョブ記14章10節に「人が死ねば消えうせる. 息が絶えればどこにおるか」

イザヤ書26章14節に「死んだもの はまだ生きない. 亡靈は生き返ら ない.」と記されている.だから, 復活は無いという言葉です. 舊約 聖書にはこのように復活がないと 記錄されているのに,新約聖書には イエスが死んでから, 3日目に復活 して空に上がったと記されている が、これは全べて偽りである.人 が死ねば消滅すると言っている し,死ねば再び生き返ることは無 いと言ったのに,どうして復活し たと言えるのですか. イエスの墓 はフランスにある. イエスの死ん だ死體はフランスのイエスの墓の 中に埋まっている.\*
